Banker's Caddy Issues 1st Quarter National Bank Rankings
Dallas, Texas - Based Texas Security Bank Ranks in Top 50

ST. LOUIS (May 23, 2018) – Banker's Caddy, an independent bank performance analytics company, announced its 1st quarter national overall performance rankings. Texas Security Bank, a \$435 million community bank headquartered in Dallas, Texas, was ranked as the 49th highest performing bank in the country.

The national rankings, published quarterly by Banker's Caddy, are based on an algorithm that considers over 5,600 banks of every size in the areas of profitability, loan quality, capitalization, growth and the ability of the bank to meet short term cash needs of depositors and borrowers.

Texas Security Bank was the only bank in the Dallas metropolitan area to rank in the top 100 national rankings.

A full list of the current national bank performance rankings can be viewed at www.bankerscaddy.com/nationalrankings.php.

About Banker's Caddy
