
Per Diem

Reloadable prepaid cards make it easy for businesses to manage per diem or stipend payments, without extending credit or writing checks for employees or contractors.

Per diem cards give businesses total control over business expenses. They eliminate the expense reimbursement process and the cost, hassle and fraud associated with checks.

Value to the Company

- Replace tedious reimbursements with real-time reconciliations
- Timely reporting makes cash flow easier to track and manage
- Real-time funding with easy oversight
- Reduce fraud and risk and eliminate petty cash, lost or stolen checks

Easy Implementation

- Fast set up and customization
- No software or hardware required
- Seamless ordering
- Cards mailed to employees or company for distribution

Value to Cardholders

- Employees don't have to pay business expenses out of pocket
- Eliminate the reimbursement process and delays
- Immediate access to funds
- Cards can be used worldwide anywhere Visa is accepted

Great for a Variety of Uses:

- Business travel
- Day-to-day expenses
- Remote employees
- Consultants and contractors
