

### **Important COVID-19 Update**

Valued Customers:

At Texas Security Bank, we continue to monitor the CDC updates, as well as, state and local government updates. As you may be aware, Dallas County Judge Clay Jenkins issued a Shelter-In-Place order last night. Certain “Critical Facilities” and “Essential Businesses” are excluded from the order. Financial Institutions are defined as both. Texas Security Bank will remain open. However, the prudent response is to close our branch lobbies. Our drive thru facilities, deposit drops and other forms of remote banking will remain fully-operational. The health and safety of our customers and team members remains our priority. Closing our branches reduces face to face interactions and, therefore, minimizes the potential spread of the virus.

Our Farmers Branch location does not have a drive thru. It does, however, have a deposit drop. If you have a need to come into the banking center, please contact your banker or the respective numbers below to schedule an appointment:

- Dallas – (469) 398-4854
- Farmers Branch – (469) 398-4869
- Garland – (469) 398-4862

You may also call our Help Desk at (469) 398-4884 or email [help@texassecuritybank.com](mailto:help@texassecuritybank.com).

During this time of uncertainty, Texas Security Bank is uniquely positioned to assist its customers and other business owners. Please let us know if we can help.

Best regards,

Craig Scheef

Chairman, President & Chief Executive Officer
