

### **Important COVID-19 Update**

Valued Customers:

At Texas Security Bank, we continue to monitor the CDC updates, as well as, state and local government updates. The health and safety of our customers and team members remains our priority. Access to our banking center lobbies remain limited due to COVID-19. Closing our lobbies to in person traffic reduces face to face interactions and, therefore, minimizes the potential spread of the virus. *Our drive thru facilities, deposit drops and other forms of remote banking such as our online banking, mobile banking and remote deposit services remain fully operational.*

Our Farmers Branch location does not have a drive thru. It does, however, have a deposit drop. If you have a need to come into the banking center, please contact your banker or the respective numbers below to schedule an appointment:

- Dallas – (469) 398-4854
- Farmers Branch – (469) 398-4869
- Garland – (469) 398-4862

You may also call our Help Desk at (469) 398-4884 or email [help@texassecuritybank.com](mailto:help@texassecuritybank.com).

You can visit our SBA Assistance page to receive information on PPP loan forgiveness information. Join us as we continue to host our Business Speaker Series and Bold Speaker Series 2.0 via online webinars, as we are committed as always to business education and training. Additionally, we are starting a new class of the TSB Academy in September, our in-depth business education series held now via online webinar.

We appreciate your patience and understanding as we all navigate this unique time in our history. During this time of uncertainty, Texas Security Bank is uniquely positioned to assist and support you. Please let us know how we can help.

Best regards,

Craig Scheef  
Chairman, President & Chief Executive Officer  
Texas Security Bank
