

# My Toolkit

## Invoicing

Send a professional invoice and get paid — all in the same place.

- Customized invoice includes branding
- Wide range of digital payment options
- All payments deposited into checking
- Easy invoice automation and tracking

## Secure Payment Link

Share a secure payment link by text, or place it on a web page.

- Secure payment form accessed via a unique URL
- Detailed payment/donation history readily available
- Pay now language can be adjusted for nonprofits
- All payments deposited into checking

## Checkout Pages

Take customer payments on the spot or over the phone.

- Offer single items, quantity purchases, or a packaged offering
- Clients pay deposits or other fees online
- Streamline the collection of dues, fees, or donations at an event
- Collect needed customer information with customization

We Educate, We Elevate, We Serve your business with on-line banking and digital tools to help you manage your business effectively and efficiently. For more information, visit us on-line: [www.texassecuritybank.com](http://www.texassecuritybank.com).

# My Toolkit

## In-App Payment Acceptance

Take customer payments on the spot or over the phone.

- Payment form doubles as an in-app terminal
- Free standalone mobile app available for Apple or Android
- Transparent processing fees in comparison to non-bank apps
- All payments deposited into checking

## Payment Acceptance, via QR Code

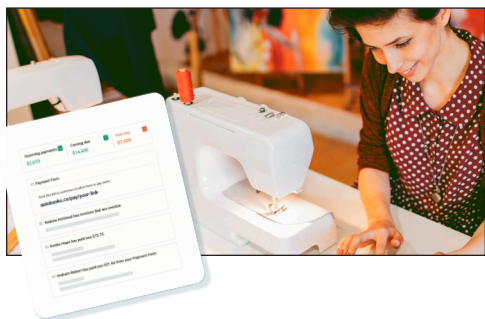

Display your unique QR code to make it easier for customers to pay.

- Reusable QR code is ready to download
- Ideal for busy events
- Suitable for paper and static invoices

## Accounting & Reporting

Add on full financial management functionality when you're ready

- Real-world accounting tools prioritize simplicity
- Automated reporting to keep everything up to date
- Cash flow management to track incoming and outgoing
- Business bill pay to keep expenses top of mind
