# My Toolkit

## Streamlined global payables with customizable approval workflows

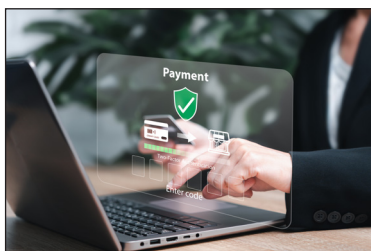

Manage payments to vendors and contractors, domestic and international, in one easy-to-use platform. Incorporate new controls to your accounts payable process with limit-based and departmental approvals.

- No per-user fees
- Add as many users as you want
- Manage roles and permissions
- Review and approve transactions

## Flexible payment options

Gain greater control and choose how you want to pay with more options domestically and internationally, without wire fees.

- **Bank Transfer**  
Send payments directly from your bank account and enjoy fee-free international transfers.
- **Debit/Credit Card**  
Pay any bills with your Visa or Mastercard, even if the receiver doesn't accept cards.
- **Checks**  
Your clients can even use Veem to send checks!  
Available anywhere in the U.S.

## Send multiple payments at once

Eliminate repetition and save time on payment processing with Mass Pay. Veem allows you to send a high volume of payments at once, all from one file.
