In the grand scheme of everyday adulting, insurance might be one of the most important things to have when the unexpected occurs. Finding the best place to keep your money safe and watch it grow also ranks high on people's priority lists. For solid financial services, count on Dallas-based Texas Security Bank (Best Bank), Fort

Worth-based EECU (Best Credit Union) and Syd The CPA (Gold winner for Best Wealth Management/Financial Planning, the firm's third Best in DFW award).

And that's just the tip of the iceberg — there are plenty of other pros to check out. Next time you need a quality new or preowned vehicle, pay a visit to Sewell Automotive Companies (Best Auto Dealership); count on TXU Energy (Best Energy Company) to keep the lights on; find care for your furry friends at CityVet (Best Pet Care); and leave the heavy lifting to repeat winner Einstein Moving Company (Best Moving Services, Commercial/Residential).
