Professional Services

Sure, you could bathe your dog in the tub, represent yourself in a court of law or hide your money under your mattress instead of opening a savings account. But why? There are hundreds of thousands of people in Dallas-Fort Worth who have trained extensively to be the best in their occupations. These Professional Services winners can make your life easier and give you peace of mind.

For most of us, money plays a major role in every aspect of life, so turning to businesses with financial expertise can ensure your hard-earned cash has a chance to grow — or at least be kept in a safe place for when you need it. Consider three businesses from this year's Gold list if you want to find new ways to invest or save. **North Texas Wealth Management** topped its subcategory this year to win Best Wealth Management/Financial Planning, while **Advancial Federal Credit Union** won Best Credit Union. Meanwhile, **Texas Security Bank** received the most votes to earn Best Bank again in 2026.

Nobody ever wants to deal with legal issues, but it's good to have a few attorneys and law firms vetted in case they ever arise. Consider this year's crop of winners: **My Dallas Criminal Lawyer** (Best DUI/DWI Lawyer), **Hamilton Wingo** (Best

Personal Injury Lawyer), **Varghese Summersett** (Best Family/Estate Law) and **Marc E. Jacobs Law** (Best Immigration Lawyer) each has the trust of voters.

Step outside and chances are you'll see several people walking dogs (and possibly a cat in a stroller). D-FW adores its pets, and if you're a pet owner, you know the importance of good care.

Doggie's Wonderland (Best Pet Spa/Grooming) offers training, daycare, boarding and grooming at its Plano and Corinth locations. For preventive care or when your four-legged friend falls ill, book an appointment at **CityVet** (Best Veterinary Clinic). There are three dozen locations in the area.

Maybe the only thing we have more of in D-FW than pets is cars. When it's time to trade in or trade up, **Sewell Automotive Companies** (Best Auto Dealership) operates multiple locations across the region. You'll need car insurance by law, so if you have military ties in your family, give **USAA** a call. The Texas company won Best Insurance Company/Agent and offers auto, home, renters, dental and life insurance policies, to name just a few.

Keep the list on the following page close by — you never know when one of the winning businesses can provide a solution when you need it most.
